Dear Visitors

Thank you for visiting our factory premises. First, we would like to draw your attention to a few precautions:

- In the event of a fire, accident or need for assistance, please call the emergency services on 112.
- In the case of fire or accident hazards, the affected areas will be cordoned off by the emergency crews.
- In the event of an emergency, please follow the instructions given by the security personnel.
- The German Road Traffic Regulations apply throughout the factory premises. Parking is only permitted in designated parking areas and at the user's own risk.
- Visitors must report to their respective contact person before entering a facility.

We hope you enjoy your visit.

Kind regards,

Facility management team

For your own and our safety, please observe the following rules:

Maximum speed 20 km/h
Priority should be given to factory traffic:
· with warning lights switched on
· carrying designated heavy loads

Protective helmets are to be worn throughout the factory premises

Suitable footwear must be worn throughout the factory premises

No smoking anywhere on the factory premises

No filming or photography
